five percent (75%) of the entire net proceeds from the operation of both stations. Class 2 claimants will be paid in full any remaining balance of their allowed claims on the earlier of (i) the thirtieth (30<sup>th</sup>) day of the twelfth (12<sup>th</sup>) month after confirmation of the Plan or (ii) thirty (30) days after grant of Federal Communication Commission ("FCC") approval of the assignment of licenses for WSTX(AM) and WSTX-FM from Family to Caledonia Communication Corporation ("Caledonia") becomes final and non-appealable.

Class 3: If, on the thirtieth (30<sup>th</sup>) day of any of the first eleven months following confirmation of the Plan, Class 1 and Class 2 claimants have been paid in full under the Plan, then Class 3 claimants will be paid pro rata the allowed amount of their claims from any remaining balance of seventy-five percent (75%) of the entire net proceeds from the operation of both stations. In addition, Class 3 claimants will be paid in full on the earlier of (i) the thirtieth (30<sup>th</sup>) day of the twelfth (12<sup>th</sup>) month after confirmation of the Plan or (ii) thirty (30) days after grant of FCC approval of the assignment of licenses for WSTX(AM) and WSTX-FM from Family to Caledonia becomes final and non-appealable.

Class 4: Class 4 interest holders shall retain such interests under the Plan.

## Article III

## CLASSES IMPAIRED BY THE PLAN

No classes of creditors will be impaired under the Plan.

## Article IV

## MEANS FOR PERFORMING THE PLAN

Family has entered into two agreements with Caledonia: (i) a Time Brokerage Agreement pursuant to which Family allows Caledonia to program the stations; and (ii) an Asset Purchase Agreement pursuant to which Family agrees to sell the stations, including the station's FCC licenses, to Caledonia, and the parties agree to cooperate to obtain FCC approval for such assignment. With the knowledge of the FCC, Caledonia has moved the stations' main studio under the Time Brokerage Agreement from Family's prior highly distressed facilities to a state of the art facility operated by Caledonia. Caledonia continues to operate the stations from this facility. Further, it is unknown when the administrative process attendant to the FCC's review of the proposed assignment of the station licenses from Caledonia to Family will be completed. However, as stated above, if, within one year from the confirmation of the Plan, the FCC approves the assignment, such approval becomes final and non-appealable, and an additional 30 days passes to enable the Caledonia and Family to consummate the assignment of the stations to Caledonia, then all of the creditors of Family will be paid in accordance with the doctrine first enunciated in the matter Second Thursday Corp., 22 FCC 2d 515, recon. granted, 25 FCC 2d 112 (1970). Payments made pursuant to the Plan prior to FCC approval of the assignment shall be made from seventy-five percent (75%) of the net proceeds, if any, from operation of the stations. If, on the other hand, these conditions do not occur within one year from the confirmation of the Plan, then Family will permit the revocation of the station licenses

by the FCC to become final and non-appealable and there will be no funds available for distribution to the creditors.

# FIRST AME IDED DISCLOSURE STATEMENT TO ACCOMPANY PLAN DATED DECEMBER 21, 2005

Debtor furnishes this disclosure statement to creditors in the above-captioned matter pursuant to Bankruptcy Code '1125 to assist them in evaluating debtor's proposed Chapter 11 plan, a copy of which is attached hereto. Creditors may vote for or against the plan of reorganization. Creditors who wish to vote must complete their ballots and return them to the following address before the deadline noted in the order approving the disclosure statement and fixing time. The Court will schedule a hearing on the plan pursuant to 11 U.S.C. '1129.)

Address for return of bailots:

Ronald W. Belfon, Esquire Belfon & Evert 1217 Bjerge Gade, K.Q. St. Thomas, VI 00802

## I. Background

1. Name of Debtor

Family Broadcasting, Inc.

2. Type of Debtor (individual, partnership, corporation)

Corporation

3. Debtor's Business or Employment: Operation of WSTX(AM) and WSTX-FM radio stations

Debtor operates the AM and FM stations, which have been on the air for fifty-five (55) years under the leadership of G. Luz A. James, Sr., a native Virgin Islander, who was president and remains a shareholder of the debtor. Debtor's FM station is the only one of eight FM stations broadcasting from St. Croix that is owned by native Virgin Islanders. It is the medium of choice for local information, news and music. Its programming format consists of cultural music exclusive of all other music.

- 4. Date of Chapter 11 Petition April 13, 2005
- 5. Events that Caused the Filing:

The bankruptcy filing was caused by the threat of imminent revocation of the radio station licenses by the Administrative Law Judge assigned by the Federal Communication Commission ("FCC"). Due to certain legal and regulatory deficiencies of the debtor while it was under the control and management of G. Luz A. James, Sr., the FCC initiated revocation proceedings against Family Broadcasting, Inc. ("Family") due to certain deficiencies in Family's operation of the stations. Under the FCC's Second Thursday doctrine, a debtor is permitted, even if there is a ending license revocation proceeding against the debtor, to assign its FCC broadcast licenses to an assignee that is qualified to hold such broadcast licenses, as long as the debtor receives no benefit from the sale and any funds generated from the sale are used to pay the innocent creditors. Consistent with the proposed bankruptcy plan, Family intends to sell and assign its radio station licenses to Caledonia Communications Corporation ("CCC") under the Second Thursday doctrine upon obtaining FCC approval for such assignment.

6. Anticipated Future of the Company & Source of this Information and Opinion

Family has entered into two agreements with CCC: (i) a Time Brokerage Agreement pursuant to which Family allows CCC to program the stations; and (ii) an Asset Purchase Agreement pursuant to which Family agrees to sell the stations, including the station's FCC licenses, to CCC, and the parties agree to cooperate to obtain FCC approval for such assignment. With the knowledge of the FCC, Caledonia has moved the stations' main studio under the Time Brokerage Agreement from Family's prior highly distressed facilities to a state of the art facility operated by CCC. CCC continues to operate the stations from this facility. Further, it is unknown when the administrative process attendant to the FCC's review of the proposed assignment of the station licenses from CCC to Family will be completed. However, as stated above, if, within one year from the confirmation of the Plan, the FCC approves the assignment, such approval becomes final and non-appealable, and an additional 30 days passes to enable the CCC and Family to consummate the assignment of the stations to CCC, then all of the creditors of Family will be paid in accordance with the doctrine first enunciated in the matter Second Thursday Corp., 22 FCC 2d 515, recon. granted, 25 FCC 2d 112 (1970). Payments made pursuant to the Plan prior to FCC approval of the assignment shall be made from seventy-five percent (75%) of the net proceeds, if any, from operation of the stations. If, on the other hand, these conditions do not occur within one year from the confirmation of the Plan, then Family will permit the revocation of the station licenses by the FCC to become final and non-appealable and there will be no funds available for distribution to the creditors.

If creditors vote in favor of this Plan, the assignment of the debtor's licenses to CCC will be authorized by this court, subject to the approval of the FCC. If creditors vote against the Plan, the assignment of the licenses will not be authorized by this court.

Summarize all Significant Features of the Plan Including When and How Each Class of Creditor
Will Be Paid and What, If Any, Liens Will Be Retained By Secured Creditors or Granted to Any
Creditor Under the Plan.

There are no liens or secured creditors. On the thirtieth (30th) day after confirmation, administrative claimants will be paid in full. On the thirtieth (30th) day of each of the first eleven months of the Plan, the creditors who hold allowed priority claims will be paid pro rata seventy-five percent (75%) of the entire net proceeds from the operation of both stations. Unsecured creditors Such creditors will be paid in full any remaining balance of their allowed claims on the earlier of (i) the thirtieth (30th) day of the twelfth (12th) month after confirmation of the Plan or (ii) thirty (30) days after grant of Federal Communication Commission ("FCC") approval of the assignment of licenses for WSTX(AM) and WSTX-FM from Family to Caledonia Communication Corporation ("Caledonia") becomes final and non-appealable. If the FCC does not approve the transfer of the license from the debtor to CCC, the station licenses will be revoked, the case will be converted to Chapter 7 and liquidation of limited assets or no assets will result. CCC has the financia, capability to consummate the sale of the licenses, once approved by the FCC.

8.	Are All Monthly Operating Statements Current and on File With The Clerk of Court?

Identify all executory contracts that are to be assumed or assumed and assigned.

Asset Purchase Agreement dated April 13, 2005 by and between Family Broadcasting, Inc. and Caledonia Communication Corporation. If creditors vote in favor of this Plan, the Asset Purchase Agreement will be assumed by the court order which confirms the Plan and therefore the assignment of the debtor's licenses to CCC will be authorized by this court, subject to the approval of the FCC. If creditors vote against the Plan or vote to reject the Plan, the Asset Purchase Agreement will be rejected and therefore the assignment and transfer of the licenses will not be authorized by this court.

The Time Brokerage Agreement, dated April 12, 2005 by and between Family Broadcasting, Inc. and Caledonia Communication Corporation. Under the Time Brokerage Agreement, CCC currently operates the stations on behalf of Family from CCC's facilities and thereby generates revenue from the station licenses that can be used to pay creditors during the pendency of FCC consideration of an assignment application to assign the stations from Family to CCC.

Agreement following creditors' acceptance of the Plan and the assumption of the Asset Purchase Agreement dated April 13, 2005.

# Other significant features of the plan:

All creditors will be paid in full. No class of creditors will be impaired.

Interest holders will receive no compensation upon confirmation of the Plan. This is consistent with the Second Thursday doctrine.

# Include any other information necessary to explain this plan:

Consummation of the Plan will follow: (i) confirmation of the Plan (ii) assumption of the Asset Purchase Agreement and Time Brokerage Agreement; (iii) to the passage of 30 days following final and non-appealable FCC approval of the assignment of the licenses to CCC. If creditors vote in favor of this Plan, the assignment of the debtor's licenses to CCC will be authorized by this court, subject to the approval of the FCC. If creditors vote against the Plan, the assignment of the licenses will not be authorized by this court and the case will be converted to Chapter 7 where it is contemplated that no assets will be available for liquidation and payment to creditors.

# V. Comparison of Plan with Chapter 7 Liquidation

If debtor's proposed plan is not confirmed, the potential alternatives would include dismissal of the case or conversion of the case to Chapter 7. If this case is converted to Chapter 7, a trustee will be appointed to liquidate the debtor's assets. The likelihood is that a trustee would abandon the scheduled assets and creditors would receive nothing. If the plan is confirmed and consummated, creditors will be paid in full.

Will the creditors fare better under the plan than they would in a Chapter 7 liquidation?

Yes X No	
----------	--

Explain:

Absolutely. There will be no payment to the creditors under a Chapter 7 liquidation.

## VI. Feasibility

- A. Attach Income Statement for Prior 12 Months.
- B. Attach Cash Flow Statement for Prior 12 Months.
- C. Attach Cash Flow Projections for Next 12 Months.

\$ 15,000.00

Show how this amount was calculated.

Administrative Class - Total claims is \$15,000.00

What assumptions are made to justify the increase in cash available for the funding of the plan?

CCC will pay administrative claimants on the effective date of the Plan. Additionally, CCC will pay all of Family's creditors in full thirty days from the final, non-appealable FCC approval of the assignment of the licenses to Caledonia pursuant to the Asset Purchase Agreement.

Will funds be available in the full amount for administrative expenses on the effective date of the plan? Yes. From what source? Caledonia Communications Corp.

The U.S. Trustee's fees and administrative claimants will be paid in full. Next, the priority creditors will be paid in full: pro rata for the first 12 months of the pian and the balance in full thirty days after the final, non-appealable approval of sale of the FCC licenses to Caledonia pursuant to the Asset Purchase Agreement.

Cash on hand \$ zero (Current) Attach current bank statement

Cash on hand \$ zero (Estimated amount available on date of confirmation). Debtor relies upon an infusion from Caledonia Communications Corp.

If this amount is less than the amount necessary at confirmation, how will debtor make up the shortfall?

Equity infusion from Caledonia Communication Corporation

## VII. Management Salaries

## MANAGEMENT SALARIES

Position/Name of Person Holding Position	Salary at Time of Filing	-Uroled Salary 2 1 Cost Confirmation)
NONE	The principals of CCC are not taking a salary for the programming of the stations under the Time Brokerage Agreement. The principals of Family are not taking a salary.	

# VIII. Identify the Effect on Plan Payments and Specify Each of the Following:

1. What, if any, Litigation is Pending?

NONE

2. What, if any, Litigation is Proposed or Contemplated?

NONE

# IX. Additional Information and Comments

- A. All allowed unsecured claims of governmental units described in 11 USC § 507(a)(8) will be paid within six years after the date of assessment an amount equal to the allowed amount of each such claim.
- B. There are no conditions to confirmation of the Plan. As a condition to consummation of the Plan, 30 days must pass after the FCC's approval of the assignment of the broadcast licenses to CCC becomes final and non-appealable.
- C. The risk posed to creditors is minimal to non-existent. The only hope for creditors to receive any payment on account of their claims is if the Plan is consummated. Absent confirmation and consummation, this debtor will be converted to Chapter 7 and its assets, all of nominal value, most likely will be abandoned by the Chapter 7 Trustee.

D. The confirmation of the Plan will result in the discharge of the debtor under 11 USC § 1141(d)(A)(1). The scope of such discharge is plenary and the impact is of no consequence to creditors since all creditors will receive the full allowed amount of their claims and none will be impaired.

# IX. Certification

The undersigned hereby certifies that the information hereit is true and correct to the best of my knowledge and belief formed after reasonable inquiry.
